IT LOOKS LIKE-

THEY'VE
ALREADY STARTED
SOMETHING BIG.

IT'S AN AMAZING
MAGICAL POWER.

SURETENSE.

SORRY, TRANSDOT,
DON'T TAKE BOSS OF THIS—
WHATEVER SHE WANTS!

NO, THIS IS A
HIGHLY DANGEROUS
SITUATION!

IT'S FINE.

SURETILUS IS
A CONSTANTLY
UNSTABLE

AS LONG AS
IT'S NOT COM-
PLETED THROUGH
THE ALMIGHTY

...AND IF YOU WERE
SPRANGLED TO CAN'T BRING

THERE'S A WAY TO ITS
POWER.

THE THING WE
REALLY SHOULD
BE WORRIED
ABOUT IS...

OK OK

OK OK

PERHAPS
THEY WILL CALL ALL
MILITARY FORCES TO
THIS TOWER OF SOUL-
WRENCHING AGONY.

A WARSHIP!!

THE CLAN CHIEFS

What greater desire

WHAT I...

WHAT I
TRULY DESIRE

REVENGE!!

REVENGE TO THE

MY LITTLE NEPHEW,
I DON'T SEE YOU

YOU'RE NOT ALL

WHERE'S THE

DON'T IT WHAT
YOU LEARNED THUS

118

WHAT ARE
YOU TRYING
TO SAY?

IT'S ALREADY BEEN A
FEW TEN THOUSAND YEARS
SINCE WE ESTABLISHED THE
SYSTEM OF MAKING A KING
WITH KARLABOLG IN MIND.

THE FACT THAT
KARLABOLG IS THE
PILLAR OF CHAOS IS AN
ESTABLISHED TRUTH
THAT EVERYONE
AGREES WITH!

IF IT'S BY THAT UNDERSTANDING-

THE TENS OF THOUSANDS OF YEARS BEFORE KARLEBOLD WAS AROUND CHAOS MUST NOT HAVE EXISTED, RIGHT?

YOU, THE BRAINS OF SERPENT, SHOULD KNOW ALREADY.

LIVES OF KINGS GROW SHORTER AND AS CHAOS IS SLOWLY BEING DESERTED-

KARLEBOLD'S POWER CONTINUALLY GROWS STRONGER.

TM

THIS POWER IS NOW SO MUCH THAT IT'S STARTING TO AFFECT OTHER WORLDS.

IF THAT'S SO, THEN- WHY? WHY HAS NO ONE NOTICED IT SO FAR?

THE KINGS OF LITE, AT LEAST, SHOULD'VE NOTICED IT, RIGHT?

THAT'S BECAUSE...

WE DECIDED WE
NEEDED NOCHI'S

NOTE:

PART 1:

This is the final chapter. Some of you know that the raws state 45 as the final chapter. The reason that 44 is the final and not 45 is because they are one and the same. Meep meshed two chapters together in a past volume, thus the numbering was off. For those who don't understand... Regis is COMPLETE.

PART 2:

Wow! Immortal Regis is finally done. Doesn't seem like a lot of time went by doing this "sarcasm". Hope you enjoyed the series as much as we did.

As you might know there is a sequel out for this series. We might pick it up or we might not, all depends how much you guys want us to :P

Some personal thoughts hmm we think Meep-Scans deserves a big thanks for picking up this series and all their stuff who despite their work, studies and life managed to take out time to translate these series for you. And to make it clear the only reason they closed down was due to their personal reasons and them moving on in their lives. The whole copyright issue was just an excuse as far as we know (though valid). We know they are doing well now and we wish them the best.

Thanks to people who choose to be remain unnamed, helped us put out the last chapters.

Lastly for the retarded WE ARE NOT MEEP

And for all the haters and shatters who don't like our epic group ...
FUCK YOU XD

Anyhow, we are taking a break at the moment to decide what series to pick and not to do. Don't worry leechers, it won't be that long.

Come hang out at #ManiWhere and tell us your thoughts.
